Dear Chorus Families,

Happy Spring! This mailing contains information about chorus events and activities for the remainder of the academic year.

On a high “note”, the chorus website is officially up and running. Be sure to check it periodically for chorus news and updates: www.frhschorus.org. The Chorus Boosters Newsletter, *In Harmony*, will be included on the website shortly.

LOOKING AHEAD:

The Very Busy Month of May

Saturday, May 12 ... **Music in the Parks** day trip (Choral adjudication and Cedar Point) for Chorale and Treblemakers. Bus transportation provided. Chaperones are still needed for this trip. If you can help, please contact Kris Rust by email at: krust@franklinregional.k12.pa.us or by phone at 724-327-5456, Ext. 5316.

Saturday, May 19 ... **Chorus Banquet** 6:00 – 10:00 PM at Spadaro’s Restaurant, Murrysville (Details and reservation form enclosed). The banquet is a fun way to wrap up the year in chorus, and includes dinner, DJ, the presentation of awards, and gifts to our graduating seniors! It’s an event not to be missed!

Tuesday, May 22 ... **Spring Concert** 7:30 PM, FRHS Auditorium. In honor of graduating senior chorus students, the Chorus Boosters will host a “Punch & Cake Reception” in the cafeteria following the concert. All chorus students and their families are cordially invited to stop by (first come, first served!).

Please note: All chorus students are responsible for turning in their chorus attire to Mrs. Lora in the Chorus Room before attending the Punch & Cake

Reception. Girls may keep the jewelry; boys may keep their ties.

STAY "TUNED" ...

To Be Announced ... In conjunction with the date of the annual **Heather Highlands Great Yard Sale**, the Chorus Boosters will gladly accept your contributions of unwanted, unneeded items to sell to benefit the FRHS choruses. Proceeds will go directly to the Chorus Fund. If you are willing to pack up and drop off your “donations” to the Devine’s home, we’ll take care of everything else! Unsold items will be donated to Goodwill. Date and details will be forthcoming shortly!

Friday, June 8 ... **FRHS Graduation**

Chorale students only will be performing during the FRHS graduation ceremony. Choral robes will be worn. These can be picked up in the chorus room Friday evening before the ceremony, and returned to the chorus room afterward.

Last, but not least...A Big *“Thank You”* to all volunteers who generously shared their time and talents on behalf of the chorus, and to those individuals and families who supported the chorus by attending chorus events and participating in chorus fundraising activities this year !!!! It could not happen without you!

If you have considered becoming active in the Chorus Boosters, watch for information about an upcoming Boosters organizational meeting on the chorus website and the FRHS e-news. Our goal is to have next year’s officers and volunteer committees in place for the upcoming 2007-2008 year. We would love to strengthen our pool of volunteers and welcome whatever time or talent you can share.
